

Quarantine leave Policy

If a full or part-time employee who is not personally ill is required to remain absent because of quarantine imposed by a governing authority, or if during a declared emergency an employee determines to self-quarantine and such employee presents a written statement of the attending physician or local health officer proving the necessity of such absence, such employee shall be granted leave with pay for the period of the required absence. Such pay shall cover the employee's routine hours (part-time hours will be based on an average of the most recent three pay periods, or as set by the board). Prior to return to duty, such employee may be required to submit a written statement, from the local health officer having jurisdiction, that return to duty will not jeopardize the health of other employees.

To be eligible for compensation during quarantine leave, employees must be ready, willing and able to work remotely on projects identified by library leadership during their regularly scheduled working hours, and must complete such duties as assigned. When performing tasks remotely, employees should note the time worked through the usual process for logging hours.
